

BIOGRAPHY

EVER-L is a Belgian **DJ and Producer** born in 1993 in Huy in the Liège region. He has lived his passion for electronic music techno underground - industrial, house, ... from an early age.

In 2018 he created his first song and won the competition organized by *Radio Contact*. This one is signed by catamount records in the U.S.A. and allows him to go play at the biggest festival in the world "**Tomorrowland**".

He also mixes in renowned clubs in his country such as *Fuse, Versuz, Lagoa, Ampère, Real Club...* but also at the *Papaya Club* in Luxembourg.

He was present on various Belgian radios but also in **Sri Lanka**. He signs several new titles on various labels around the world such as Belgium, his native country, but also the USA, Switzerland, Holland, Germany, Romania, Ukraine, ...

In 2021 he released his first ep "**Sensation**", his titles rose in the rankings. In 2022 he won a booking in Ibiza but also in Poland at the TO2 Club!

Early 2023, he signs his second ep with Yves Deruyter's label YDR Records. This allows him to mix in a very big event in **Antwerp (Ampère)**. Followed by a booking at the space **Lab Club** in Thessaloniki (**Greece**) with the *Alveda* music label. Furthermore, he played in the rave techno "**Dimension**" in Sweden.

At present, he has discovered a **passion** for everything analogical, modular machines, synthesizers, drum machines, ... His studio is then a real musical cockpit! He becomes resident every saturday on an electronic radio called "**Topradio**".

Do not hesitate to discover this artist who is ready to surprise you with his selection and his personal touch! 🎵
